INTERVIEW SUMMARY

The undersigned representative thanks Examiner Vu and Supervisory Examiner Feild for the courtesy of the telephone calls conducted on August 15 and 21, 2007.

The substance of the calls included a discussion of the status of the application. Specifically, on August 15, 2007 Examiner Vu indicated that he intends to allow the case. The Examiner further indicated that due to an issue with the docketing of the after-final response, the Examiner had not able to officially act as he intended since the after-final response was filed on June 1, 2007. On August 21, 2007, Supervisory Examiner Feild indicated that she would look into the docketing error and that applicant should not be responsible for paying extension fees caused by the docketing error's delay. Further, on August 21, 2007, Examiner Vu indicated that the docketing error had been corrected and that he was moving forward allowing the case.

Respectfully submitted,

Date: 8/22/07
